

Dance Instructor | Job Posting

Strive Dance Academy

Come join our award winning teaching team! Strive Dance Academy Society is actively seeking resumes from qualified and accredited dance teachers in various disciplines to add to our evolving needs for the 2023-2024 and future dance seasons.

Strive Dance Academy is a not-for-profit dance studio located in Red Deer, Alberta along the QEII corridor, between the major cities of Edmonton and Calgary - just 90 minutes north or south! While Red Deer has a population of more than 100K, it serves a regional catchment of nearly 400K within Central Alberta. The community is family oriented, with an abundance of gorgeous green spaces, a variety of amenities, and an active arts and culture element. Strive is a leader in dance education and has a reputation for its high artistic standards and award-winning competitive program.

Strive's competitive dance teams have consistently achieved several first overall rankings and awards at prestigious dance competitions against top ranking schools throughout Alberta. Dancers are ADAPT and RAD trained, and examinations are held annually for competitive members. Strive also offers a pre-competitive program for younger dancers that prepares them for the competitive program.

Qualifications

The ideal candidate would possess:

- Certification in ADAPT and/or RAD preferred
- 2+ years experience teaching and choreographing
- Passion for teaching children
- Experience in teaching children of a variety of ages and dance levels
- High level of professionalism
- Excellent communication skills
- Ability to work as part of a teaching team
- Experience in preparing dancers for ADAPT and/or RADexams at all levels

Compensation

To be negotiated based on experience and training/education.
